Legend of Feng Zhong-Little Rice Academy

The Taitung Nan-Huai Millet School offers a rich and immersive experience in local flavors, vividly presenting the essential aspects of the Paiwan tribe's life and culture. Established in the renovated Lixu Elementary School in Taitung's Jinfeng Township, the Millet School serves as a local cultural classroom. Spearheaded by Gao Shizhong, a key promoter of the initiative who returned to his hometown, the school introduced a diversified grains production and marketing program. After taking over the school, a series of distinctive package tours was designed, featuring tribal guided tours, explanations of millet and red quinoa-related knowledge, instruction on singing indigenous songs, and various hands-on activities. These activities aim to convey the culture of millet and the Paiwan tribe in a concrete and detailed manner, manifested in the Indigenous Cultural and Arts Museum.
