Lanyu Agricultural Specialties Cooperative (Old Chou's Stories)

The "Lanyu Agricultural Specialties Cooperative" was established on June 6, 2012. The idea originated in back in 2010 when the chairman of an enzyme factory traveled to Lanyu in Taitung. Upon returning to the main island of Taiwan, the chairman faced a challenge – the inability to find distinctive "souvenirs" exclusive to Lanyu that could be brought back as gifts for family and friends. In a moment of inspiration, the owner of the enzyme factory, captivated by the island's unique native plants during his trip, he decided to use the island’s precious plants to create unique souvenirs—a venture that would also benefit the health of the general public.
