

鹿野高台 全台最大飛行傘場 Luye Gaotai, the Most Spectacular Paragliding Field

提到高空飛行傘體驗，多數人會想到面積約7.4公頃的鹿野高台飛行傘訓練場。這裡擁有斷崖地形與寬廣大草地，每年4到10月吹起東南季風時，更成就鹿野高台飛行的條件。每當夏秋之際，飛行傘愛好者齊聚一堂，從此處飛出去，將台東好山好水的綺麗景致盡覽眼底，享受翱翔萬里的驚奇之旅。

Upon mentioning of paragliding field, people would think of the 7.4 hectares Luye Gaotai. Its high cliff and immense grassland provide excellent flight condition especially during the southeast monsoon season from April to October. In every summer and autumn, paragliding fans would meet here and start an amazing flight over the beautiful scenery of Taitung.

蘭嶼 太麻里 首見日出之地 Lanyu, Taimali, the First to See Sunrise

第一道曙光，就是太陽剛從海平面升起的那一刻，在一片浩瀚無垠的大海中，太陽倏忽地向上躍升，毫無阻擋的良好視野，美得讓人動容。要想在每年元旦守著勝景，等著迎接全台灣第一道曙光的來臨，就得親臨現場等候。台灣離島地區最早看到日出之處是蘭嶼，本島地區則為太麻里。

It is an extraordinary view to see the first morning light when the sun rises from the horizon over the vast ocean, and you need to wait on site in person to greet the first aurora shining upon Taiwan on every New Year's morning. The first offshore island to greet sunrise in Taiwan is Lanyu, and the first township to do so inland is Taimali.
