台東美術館 Taitung Art Museum

台東美術館是全台第一座縣立美術館，館區的整體設計為山與海的設計概念，融合了台東天然資源的意涵，館區規劃有「山歌」展廳與「海舞」展廳兩大展覽館，以純藝術和可動手觸摸等展演方式為主，提供台東人有一處可交流學習的文化殿堂。

Taitung Art Museum is the first county art museum in Taiwan. Images of natural resources of Taitung are blended into the museum's overall architectural concept, which includes two major exhibition halls "Song of the Mountains" and "Dance of the Sea". Through pure art and hands-on experience, it is a cultural sanctuary that provides Taitung residents a place for ideas exchange and learning.
